ZENOIDS

The After-Dinner Tablets

There are times when you feel you should indulge yourself, when refusal of good food would be out of place or churlish. Wise folk eat their fill on such occasions, and end the meal with a ZENOID Tablet, prepared from Turkey Rhubarb, Jamaica Ginger and Cardamoms.

An Easy Digestion after slight indiscretion at meals

Famed for a hundred years, they are sold by chemists, 1/- per box.

THE CHUBB SAFE LEDGER FILES

Here is an ideal method of safe-housing machine-posted Records where mobility and permanent protection are required.

A simple movement of the lid raises the Record to a convenient height for posting or reference and in case of emergency the Record is instantly lowered into its vault-like base, where it is completely secure.

The files are solidly constructed on exactly the same principles as the normal Chubb Fire Cabinet, can be moved quickly and easily, and are made in three sizes with varying interior trays to take cards of different dimensions.

A Chubb Booklet on the "Protection of Business Records" will be sent post free on request. It is worth having as a guide to safety within the office premises.

CHUBB FIRE CABINETS

These are manufactured in five standard sizes with dimensions calculated to house most types of Records. They are fitted with single or folding doors to lie flat against the sides to economise space; like all Chubb equipment they can be finished in standard or special colours.

THE SMALLEST OFFICE FIRE CAN DAMAGE AND HAS MANY TIMES IN RECENT YEARS DESTROYED IMPORTANT RECORDS, WHILE LEAVING THE GREATER PART OF THE BUILDING UNTOUCHED.

CHUBB EQUIPMENT FOR EVERY TYPE OF RECORD

Confronted with the question—Are to-day's offices safer from fire than in past years?—the executive would probably return an affirmative answer. But is it so? Who can deny that under present circumstances the risk of fire is greatly increased? The Records which are the very life blood of the business are too often deprived of the Protection which their value warrants.

EDINBURGH CORPORATION EDUCATION COMMITTEE.

City Education Officer—Jas. B. Frizell, B.L., A.L.A.A.

THE HIGH SCHOOL appears to have existed at the beginning of the twelfth century. It was then under the care of the Abbot and Canons of Holyrood, and was known as 'The Grammer Schule of Edinburgh.' After the Reformation the management was transferred to the Clergy and Town Council, and tradition has it that the School received from James VI., in 1598, the title 'Schola Regia Edimburgensis'—The Royal High School of Edinburgh.

The Royal High School provides a complete course of Primary and Secondary Education for Boys from the age of five upwards. The organisation is modern and the classes are limited in size and carefully graded. Science, Music, Art and Crafts form a part of every curriculum. Religious instruction is given throughout.
